

Organic Aromatherapy Treatment

Organic Aromatherapy Massage

Welcome to our therapy page, on this page we offer unique aromatherapy packages, using only the premium blended certified organic essential oils, organic cotton towels, and organic candles.

We are using our combined experience of over 12 years to create a package, which can travel to your door, so you can have the ultimate pampering experience, without the bother of leaving your home, you can buy this package for your self or someone else in need of a massage, who may not want to travel.

We are ITEC trained, and hold insurance, so have been professional qualified to give our clients the ultimate knowledge of our essential oil training combined with our massage, which incorporates shiatsu and Swedish massage techniques, along with the healing energies of Reiki.

Our initial treatment will incorporate a client profile, and the hour and half of aromatherapy massage, so sometimes you will get a longer treatment. We will blend a aromatherapy blend of essential oils to suit your personal profile.

This massage treatment is designed to fit around your needs, which is why we are flexible,

Our package range are as follows:

Organic top to toe package ; one and a half hours of aromatherapy massage - £45

Organic half time; 45 minutes of aromatherapy massage on areas most needed - £30

Organic back; 30 minutes of back massage - £20

Organic feet and hands - £20

Organic face and neck -£20
